Blood crisis forces emergency drawing

An emergency blood drawing was called for next Thursday from 2 to 8 p.m. at the Bay St. Louis Youth Center when the Hancock County Blood Bank met in special session Tuesday evening.

John D. Rutherford, Jr.,

Courthouse public meet is Monday

Bay St. Louis Jaycees will hold a public meeting in the Court house at 8 p.m. Monday so everyone has the opportunity to publicly express their opinion on what, where and how to do something about a new Hancock County Courthouse or improve and enlarge the present facility.

In recent years consistently the grand juries have recommended improvement of the county's headquarters, and two weeks ago the most recent grand jury reported the present facilities in poor repair, inadequate and in its opinion with no feasible means of improvement.

The report further recommended a bond issue to finance new quarters and the jurors pledged themselves to its support and concluded "We find that our county is beginning to lag in tremendous stride and that it will be impossible to handle the burdens of the county government in the present facilities much longer."

At its meeting Jan. 21 the board of supervisors indicated it would try to get something done and the Jaycees are holding their meeting to get suggestions from the public on just how it should be handled.

Miss. Power pays huge tax bill to local governments

Payment this week by Mississippi Power Co. of \$29,445.19 in ad valorem taxes to Hancock County, \$11,549.80 to Bay St. Louis and \$1,160 to Waveland was reported by A. H. Gregory, local manager for the utility. Earlier payment of franchise taxes, amounting to two per cent of the company's gross revenue from operations in the municipalities, had been paid Bay St. Louis and Waveland, Gregory added. Bay St. Louis received \$6,287.62 and Waveland \$2,248.02, bringing total 1962 tax receipts from the power company to county governments to \$50,691.32.

WAVELAND FIREMAN'S BALL

A Fireman's Ball sponsored by Waveland Volunteer Fire Department will be at Bay Waveland Youth Club Saturday night. Donation is \$1.50 per person.

chairman, reported the bank's supply had been exhausted and it actually owed blood to the American Red Cross for that already used. A check of records indicated heavy use in the county in recent months.

Anyone who has not given blood in the last 90 days is eligible to donate when the regional Red Cross crew is at the Youth Center next Thursday, the chairman explained. Notices will be mailed as soon as possible and Rutherford urged if the person notified cannot give a blood send someone in his place.

Much of the trouble is caused by the fact that only 20 per cent of those using blood are replacing it, he continued. Local physicians joined his appeal. "More than 100 lives have been saved through the immediate supply of blood by the Hancock County Blood Bank," Rutherford declared. "This life giving flow of blood must continue."

Records show consumption at Hancock General Hospital since last spring as follows: May, 13 pints; June, 29; July 32; August, 57; September, 13; October, 22; November, 53; December, 44, and 29 pints in other hospitals. Next regular drawing is not until May.

Mothers on march tonight

Annual Mothers March for the National Foundation will get under way at 7 p.m. today in the Bay 5 area, Mrs. Theo Tudary, general chairman for the March of Dimes, announces. Torch lights traditionally are turned on at this hour to welcome the solicitors.

Mothers captains are Mrs. John Bortages, Mrs. Charles Peterson, Lakeshore; Mrs. Howard Bartleigh, Clermont Harbor; Mrs. Dan M. Russell, Jr., Mrs. Gordon Romanoff, Bay St. Louis; Mrs. Earl Fayard, Mrs. Norman Green, Mrs. Esther Bragg, Cedar Point; Mrs. Fred Bourgeois, Mrs. Thelma Landry, Mrs. Harold Zimmerman, Waveland.

Negro mothers will march Sunday with Mrs. Genevieve Raboteau and daughter, Paula, in charge.

In event any home is missed, HO7-4239 may be called.

Another interfund transfer approved

At a recessed meeting of the Hancock County School Board last Friday, the minutes show that aside from paying routine bills the Board of Trustees took the following action:

On Trustee Ed P. Orme's motion \$1,000 was transferred from the general school fund to the district fund. Also on Orme's motion certain school interest funds were transferred to the district fund.

An editorial Don't be fooled

On Feb. 5 the voters of Mississippi will decide on a Mississippi constitutional amendment. It is an amendment to a state law and subject in its legality to the United States Constitution. In other words, whether it passes or fails to pass by the vote of Mississippians does not necessarily decide whether it is the law or not.

The fundamental point involves the question of the separation of powers in our government and the second most important question is what constitutes a "justiciable issue".

On neither of these questions are we going to vote. We are going to vote outwardly as to whether the legislature decides reapportionment fairly enough so that the judiciary will let the legislature vote count.

A vote against the amendment is a vote for Chancellor William Horton to say what the districts of Mississippi shall be—a vote for the amendment may still leave Chancellor Horton with the authority but it will take his excuse away from him.

If you want the judiciary, Justice of the Peace upwards, to tell your elected representatives what authority you as voters have, vote "no". We are going to vote "yes" and strongly urge you to do the same.

Atlanta pair draw terms as court ends

Sentences were meted out in three criminal cases late last week at the January term of Circuit Court closed while Judge Leslie Grant postponed action on four others.

In the lone jury trial on the state docket, William Harrison Corn and Walter Henry Godfrey, Jr., of Atlanta were found guilty of possession of burglary tools and were sentenced to four years each in the penitentiary. Bond of each was set at \$5,000 pending an appeal.

On the state's motion, a charge of possession of narcotics paraphernalia against the pair were not pressed.

Armed robbery charge against Arnold Hickman, held over from a previous term, was reduced by the state to robbery and he pleaded guilty. Sentence was 15 years in the penitentiary, suspended with five years of probation.

A one-year term, suspended with five years of probation, was imposed on Jeff Garcia who pleaded guilty to child desertion.

Sentence was deferred until the May term of Paul Nelson who pleaded guilty to child desertion. Rudolph Tillman, who pleaded innocent to child desertion and neglect in arraignment, changed his plea to guilty and the judge withheld sentence until the first day of the May term.

Trial of Matt Ballou, who has pleaded innocent on an indictment for embezzlement, was scheduled for the first Wednesday of the May term along with that of E. N. Wells who has pleaded guilty to embezzlement.

The robbery was discovered at 8 a.m. Friday by Mrs. Ann Langley, drug clerk, who reported for work, both front and rear doors having been forced open. Mrs. Langley called Lynch who notified Waveland Marshall Fred Bourgeois who was joined in the investigation by Price. Al Theriot, New Orleans chief of detectives, was notified when it was discovered that the tools were purchased in New Orleans.

Ask \$4.5 million for Super 10 bridge

Budget listed for MTF

The Mississippi Test Facility at Gainesville would get the lion's share of the \$188,627,000 sought for programs directed by NASA's Marshall Space Flight Center in the proposed federal budget submitted to Congress this month. A breakdown of the construction program shows \$111,690,000 sought for MTF; \$38,496,000 for MSFC headquarters at Huntsville, Ala., and \$10,000,000 for Michoud operations in New Orleans. It also calls for \$28,438,000 in spending at several industrial plants where engines and stages of the Saturn Apollo moon rocket project are underway.

Biggest item at the Mississippi Test Facility would be \$35,983,000 for the advanced Saturn first stage (S-IC) static test facilities, followed by \$19,148,000 for the advanced Saturn second stage (S-II) static test facilities. The details made public by Dr. Werner von Braun, head of the space center, show \$6,604,000 for the navigation lock on the East Pearl River; waterways and docking facilities, \$4,242,000; transportation and parking facilities, \$7,585,000; control and data handling, \$4,613,000; utilities, \$6,559,000; electronics, instrumentation and materials laboratory, \$2,716,000; security facilities, \$675,000; warehouse addition and storage, \$2,318,000; maintenance facilities, \$5,987,000; sonic measuring facilities, \$1,760,000; bridge for U. S. Interstate Highway 10, \$4,500,000, and F-1 engine systems test stand, \$9,000,000.

MSFC's total budget, under terms of President Kennedy's request, would be about \$1.7 billion, compared to about 1.2 billion for the present (1963) fiscal year. The entire NASA budget for the coming year would be \$5,712,000,000, compared to \$5,673,600 for 1963.

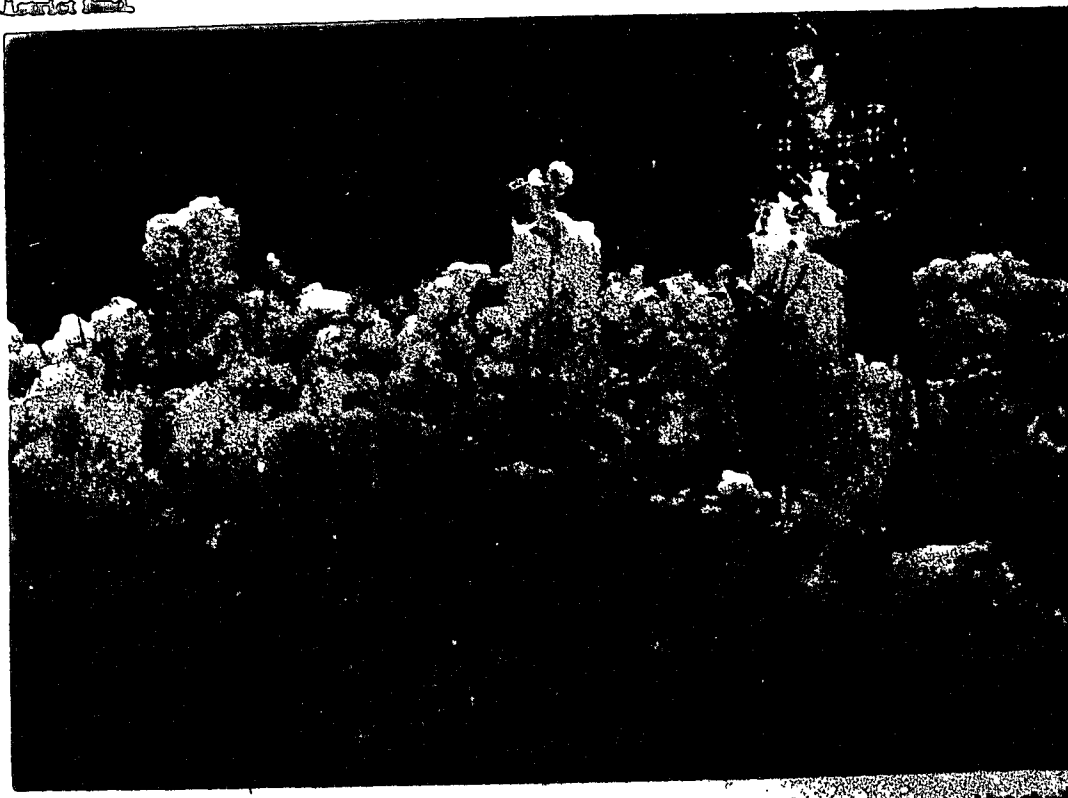

9.8 to 74 is mercury range during last week

Spring may be on the way if yesterday's temperatures are any indication.

After shivering through sub-freezing weather most of last week, it was a balmy 74 early Wednesday afternoon at the U. S. Weather Bureau's station at the Mississippi Test Facility with continued mild in the offing. Temperatures reached their

lowest point of the year last Thursday, dipping to 9.8 degrees about sunrise at MTF. A low of 16 was recorded Friday but the mercury managed to climb up to 45 by afternoon.

Saturday's range was 59 and 68 while Sunday was colder at 28 and 42 with a low of 27 recorded Monday before the mercury began its upward climb.

Summing up the '63 BHI

Despite the frigid weather so ungraciously handed this area, the 27th annual Bay High Invitational Tournament went off last week in excellent fashion. Although the start was set back a day by polar bear air, near-capacity crowds attended all three sessions. For the first time in our memory, it actually seemed that Saturday night's finals were out-attended by that afternoon's semi-final card.

Only 11 teams were entered, but all were well-matched. Highlight of the event was the long-awaited battle between Bay High and St. Stanislaus Saturday afternoon and the Tigers were not to be denied. As Bay High's coach Wilmer Sey, your said, "That was our finaler". Both teams have good starting fives and until the final minute neither coach made a substitution.

The local invitational never has chosen an all-tournament team, but we took in all the games and here's the best in our book.

Salute to Carolyn Scarborough

In the girls' division, we like Brenda Stockstill of Hancock Central, Carolyn Scarborough of Pass Christian and Patsy Carver of Bay High at the forward positions. Holding down the guard slots on our team are Gwen Ladner and Linda Lizana of Pass Christian and Marie Peterson of Bay High.

To pick the most outstanding single player is a difficult task but we think Carolyn Scarborough of Pass Christian had just that little bit extra. In leading her team to the title, she scored high in double figures each game and did a terrific job of ball-handling and dribbling. When the Pirate sextet needed to stall for time in the exciting final game, she was the one who took charge.

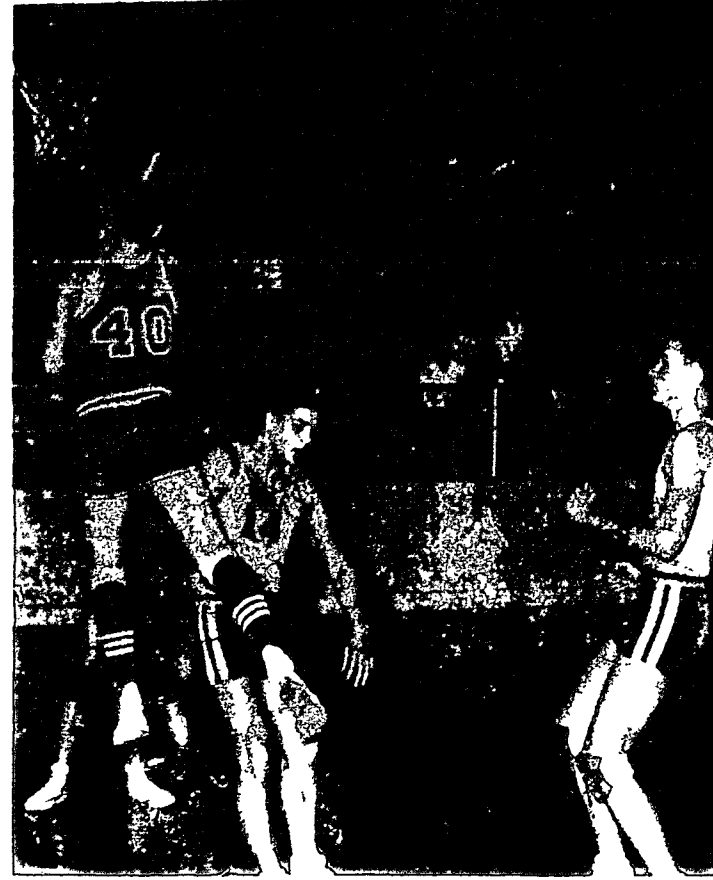

There were a lot of good boys playing but after much thought we've managed to whittle the list to the five we considered best.

Nodie gets our nod

At center we have to choose Lionel Nodie of Hancock Central. Jimmy Scully of Long Beach and Eugene Ladner of Hancock Central are the other front-court members of our team, while Nodie Ladner of St. Stanislaus and Leroy Luke of Bay High get the nod at guards.

As for one most outstanding player, Nodie Ladner showed the best performance of the tournament. Although the Rockchaw guard didn't lead in scoring, he shot with amazing accuracy, played aggressive defense, and was particularly impressive as a playmaker. Ladner's performance in first-round play against Pass Christian was almost the sole reason Stanislaus reached the semis, and was one of the best single game efforts we've seen all season. Scoring honors went to Scully, with a 25 point average.

Many disagreed last season when we named that Bob Pettit of St. Louis and past LSU fame was the best player. Maybe Baylor, Chamberlain, Russell and Robertson are better, but we offer this in evidence: Pettit is the only man to be named four times the most valuable player in the East-West all-star game, in which the leading stars participate. This year Pettit did not win the honor but was still high in rebounds and led both star teams in scoring, and he didn't even play as long as any of the others.

NORTH CENTRAL L'YUP - Richard Cuevas, Hancock North Central guard, attempts a layup but charges into Bay High's Charles Bennett (14) in the process. Tiger forward Ross Maurigi looks on. Hancock won the Bay High Invitational with a victory over Bay High. (Photo by Fayard)

SPEND JUST 10 MINUTES TO DISCOVER THE RIDE FORD SPENT \$10 MILLION TO DEVELOP!

FORD SPENT \$10 MILLION TO GIVE THE '63 SUPER TORQUE FORD ITS NEW VELVET RIDE. UNTIL YOU SPEND 10 MINUTES BEHIND THE WHEEL, YOU CAN'T POSSIBLY KNOW HOW GREAT THIS NEW RIDE IS... AND YOUR FORD DEALER INVITES YOU TO DO JUST THAT! BUT BEFORE YOU GO, READ THESE FACTS:

Until now, the wheels of most cars simply moved up and down as they hit bumps, ruts, holes. But not with the '63 Super Torque Ford! Each wheel can now move back and forth 100. As the wheel meets a bump, it can move back like a spring to soften the blow. Result: The way and how you ride the newest ride on the road today — a smooth, ride borrowed from the Thunderbird, and a way with corners that

until now was a Thunderbird secret! Add to this the comfort of deep-foam front seat cushions, new butyl body mounts, hundreds of other refinements, and you know why the road turns to velvet. Yes, this year the Super Torque Ford offers the look, the power—and now the feel of the Thunderbird! You won't believe it until you try it! So come in and discover this new \$10 million ride—today!

There Is A Santa Claus!

Christmas Club Savings for 1962 broke all past records with \$1,573,861,000 distributed to 13,711,000 members, an average saved of \$115 each. It is the eleventh straight year in which the club's annual distribution exceeded a billion dollars.

Hancock Bank in the distribution of its savings to Christmas Club members has also had a banner year, with \$502,279.75 distributed to 5,705 members.

Hancock Bank pioneered in this method of saving money for Christmas, having promoted it since 1914, omitting only the interruption of the First World War years when the savings idea was diverted to the purchase of Liberty Bonds.

Few families escape the financial pressure of the holiday season with a strain on the family income and budget. It would be a barren Christmas for many families but for their foresight in putting something

by each week to make Christmas a real event. And these club savings are also applied to pay taxes, insurance premiums or to start a savings account.

Hancock Bank is happy to have helped its 5,705 Christmas Club members to make sure that there is a Santa Claus for parents as well as for children. But for Christmas Club savings, it could have been an empty Christmas for many homes.

Hancock Bank appreciates the many gestures of good will and the countless courtesies of its friends and neighbors. In the Spirit of the Season the bank and its employees extend to its customers its best wishes for a Merry Christmas and Happy, Healthy, Prosperous New Year.

And you are cordially invited to join our Christmas Club that Santa Claus may be a reality for you and yours in 1963.

Whereas the Planning and Zoning Commission of the Town of Waveland, Mississippi, has submitted a report to the Board of Aldermen of the Town of Waveland, Mississippi, recommending the adoption of the proposed ordinance, and

Whereas the Planning and Zoning Commission of the Town of Waveland, Mississippi, has submitted a report to the Board of Aldermen of the Town of Waveland, Mississippi, recommending the adoption of the proposed ordinance, and

WHEREAS the Mayor and Board of Aldermen, pursuant to the provisions of Volume Three, Title 16, Municipalities, Division 9, Zoning Law, has appointed a Planning and Zoning Commission to recommend the boundaries of the various original districts and appropriate regulations to be enforced therein, and

WHEREAS the Planning and Zoning Commission has divided the Town into districts and has prepared regulations pertaining to such districts in accordance with a comprehensive plan and designed to secure safety from fire, panic, and other dangers; to promote health and the general welfare; to provide adequate light and air; to prevent the overcrowding of land; to avoid undue concentration of population; to facilitate the adequate provision of transportation, water, sewerage, schools, parks, and other public requirements, and

WHEREAS the Planning and Zoning Commission has given reasonable consideration, among other things, to the character of the districts and their peculiar suitability for particular uses, with a view to conserving the value of buildings and encouraging the most appropriate use of land throughout the municipality and

WHEREAS the Planning and Zoning Commission has made a preliminary report and held public hearings thereon, and submitted its final report to the Mayor and Board of Aldermen, and

WHEREAS the Mayor and Board of Aldermen have given due public notice of hearings relating to zoning districts, regulations, and restrictions, and has held such public hearings, and

WHEREAS the Mayor and Board of Aldermen have given due public notice of hearings relating to zoning districts, regulations, and restrictions, and has held such public hearings, and

WHEREAS the Mayor and Board of Aldermen have given due public notice of hearings relating to zoning districts, regulations, and restrictions, and has held such public hearings, and

WHEREAS the Mayor and Board of Aldermen have given due public notice of hearings relating to zoning districts, regulations, and restrictions, and has held such public hearings, and

WHEREAS the Mayor and Board of Aldermen have given due public notice of hearings relating to zoning districts, regulations, and restrictions, and has held such public hearings, and

such changes or amendments shall not become effective until they have been duly entered upon the Official Land-Use Map. No amendment to this ordinance which involves matter portrayed on the Official Land-Use Map shall become effective until after such change and entry has been made on said map.

No changes of any nature shall be made in the Official Land-Use Map or matter shown thereon except in conformity with the procedures set forth in this ordinance. Any unauthorized change of whatever kind by any person or persons shall be considered a violation of this ordinance and punishable as provided under Section 16 of this ordinance.

Regardless of the existence of purported copies of the Official Land-Use Map which may from time to time be made or published, the Official Land-Use Map which shall be located in the office of the Town Clerk shall be the final authority as to the current zoning status of land and water areas, buildings, and other structures in the Town.

2. REPLACEMENT OF OFFICIAL LAND-USE MAP - In the event that the Official Land-Use Map becomes damaged, destroyed, lost, or difficult to interpret because of the nature or number of changes and additions, the Mayor and Board of Aldermen may by resolution adopt a new Official Land-Use Map which shall supersede the prior Official Land-Use Map. The new Official Land-Use Map may correct drafting or other errors or omissions in the prior Official Land-Use Map, but no such correction shall have the effect of amending the original zoning ordinance or any subsequent amendment thereof. The new Official Land-Use Map shall be identified by the signature of the Mayor attested by the Town Clerk, and bearing the seal of the Town under the following words: "This is to certify that this Official Land-Use Map supercedes and replaces the Official Land-Use Map adopted (date of adoption of map being replaced) as part of Ordinance No. 30 of the Town of Waveland, Mississippi."

3. RULES FOR INTERPRETATION OF DISTRICT BOUNDARIES - Where uncertainty exists as to the boundaries of districts as shown on the Official Land-Use Map, the following rules shall apply:

1. Boundaries indicated as approximately following the center lines of streets, highways, or valleys shall be construed to follow such center lines;
2. Boundaries indicated as approximately following platted lot lines shall be construed as following such lot lines;
3. Boundaries indicated as approximately following city limits shall be construed as following city limits;
4. Boundaries indicated as following railroad lines shall be construed to be midway between the main tracks;
5. Boundaries indicated as following shore lines shall be construed to follow the legally established shore lines, and in the event of change in the shore line shall be construed as moving with the actual shore line; boundaries indicated as approximately following the center lines of streams, rivers, canals, lakes, or other bodies of water shall be construed to follow such center lines;
6. Boundaries indicated as parallel to or extensions of features indicated as subsections 1 through 5 above shall be so construed. Distances not specifically indicated on the Official Land-Use Map shall be determined by the scale of the map.
7. Where physical or cultural features existing on the ground are at variance with those shown on the Official Land-Use Map, or in other circumstances not covered by subsections 1 through 6 above, the Mayor and Board of Aldermen shall interpret the district boundaries.

SECTION 3. APPLICATION OF DISTRICT REGULATIONS - The regulations set by this ordinance within each district shall be minimum regulations and shall apply uniformly to each class or kind of structure or land, and particularly, except as hereinafter provided:

1. No building, structure, or land shall hereafter be used or occupied, and no building or structure or part thereof shall hereafter be erected, reconstructed, moved, or structurally altered unless in conformity with all of the regulations herein specified for the district in which it is located.

2. No building or other structure shall hereafter be erected or altered:

- a) To exceed the height;
- b) To accommodate or house a greater number of families;
- c) To occupy a greater percentage of lot area;
- d) To have narrower or smaller rear yards, front yards, side yards, or other open space, than herein required; or in any other manner contrary to the provisions of this ordinance.

3. No part of a yard, or other open space, or off-street parking or loading space required about or in connection with any building for the purpose of complying with this ordinance, shall be included as part of a yard, open space, or off-street parking or loading space similarly required for any other building.

4. No yard or lot existing at the time of passage of this ordinance shall be reduced in dimension or area below the minimum requirements set forth herein. Yards or lots created after the effective date of this ordinance shall meet at least the minimum requirements established by this ordinance.

All territory which may hereafter be annexed to the Town shall be considered to be zoned in the same manner as the contiguous territory inside previous Town limits until otherwise classified.

SECTION 4. NON-CONFORMING LOT S, NON-CONFORMING USES OF LAND, AND NON-CONFORMING USES OF STRUCTURES AND PREMISES.

1. INTENT - Within the districts established by this ordinance or amendments that may later be adopted there exist lots, structures, and uses of land and structures which were lawfully before this ordinance was passed or amended, but which would be prohibited, regulated, or restricted under the terms of this ordinance or future amendment.

It is the intent of this ordinance to permit these non-conformities to continue until they are removed, but not to encourage their survival. Such uses are declared by this ordinance to be incompatible with permitted uses in the districts involved. It is further the intent of this ordinance that non-conformities shall not be enlarged upon, expanded or extended, nor be used as grounds for adding other structures or uses prohibited elsewhere in the same district.

A non-conforming use of a structure, a non-conforming use of land, or a non-conforming use of a structure and land shall not be extended or enlarged after passage of this ordinance by attachment on a building or premises of additional signs intended to be seen from off the premises, or by the addition of other uses of a nature which would be prohibited generally in the district involved.

To avoid undue hardship, nothing in this ordinance shall be deemed to require a change in the plans, construction, or designed use of any building on which actual construction was lawfully begun prior to the effective date of adoption or amendment of this ordinance and upon which actual building construction has been diligently carried on. Actual construction is hereby defined to include the placing of construction materials in permanent position and fastened in a permanent manner; except that where demolition or removal of an existing building has been substantially begun preparatory to rebuilding, such demolition or removal shall be deemed to be actual construction, provided that work shall be diligently carried on until completion of the building involved.

2. NON-CONFORMING LOTS OF RECORD - In any district in which single-family dwellings are permitted, notwithstanding limitations imposed by other provisions of this ordinance, a single-family dwelling and customary accessory buildings may be erected on any single lot of record at the effective date of adoption or amendment of this ordinance. Such lot must be in separate ownership and not of common ownership with other lots in the same ownership. This provision shall apply even though such lot fails to meet the requirements for area or width, or both, that are generally applicable in the district, provided that yard dimensions and other requirements not involving area or width, or both, of the lot shall conform to the regulations for the district in which such lot is located. Variance of area, width, and yard requirements shall be obtained only through action of the Mayor and Board of Aldermen.

If two or more lots or combinations of lots and portions of lots with continuous frontage in single ownership are of record at the time of passage or amendment of this ordinance, and if all or part of the lots do not meet the requirements for lot width and area as established by this ordinance, the lands involved shall be considered to be an undivided parcel for the purposes of this ordinance, and no portion of said parcel shall be used or sold which does not meet lot width and area requirements established by this ordinance, nor shall any division of the parcel be made which leaves remaining any lot with width or area below the requirements stated in this ordinance.

3. NON-CONFORMING USES OF LAND - Where, at the effective date of adoption or amendment of this ordinance, lawful use of land exists that is made no longer permissible under the terms of this ordinance as enacted or amended, such use may be continued, so long as it remains otherwise lawful, subject to the following provisions:

- a) No such non-conforming use shall be enlarged or increased, nor extended to occupy a greater area of land than was occupied at the effective date of adoption or amendment of this ordinance.
- b) No such non-conforming use shall be moved in whole or in part to any other portion of the lot or parcel occupied by such use at the effective date of adoption or amendment of this ordinance.
- c) If any such non-conforming use of land ceases for any reason for a period of more than 30 days, any subsequent use of such land shall conform to the regulations specified by this ordinance for the district in which such land is located.

4. NON-CONFORMING STRUCTURES - Where a lawful structure exists at the effective date of adoption or amendment of this ordinance that could not be built under the terms of this ordinance by reason of restrictions on area, lot coverage, height, yards, or other characteristics of the structure or its location on the lot, such structure may be continued so long as it remains otherwise lawful, subject to the following provisions:

- a) No such structure may be enlarged or altered in a way which increases its non-conformity;
- b) Should such structure be destroyed by any means to an extent of more than 50 percent of its replacement cost at time of destruction, it shall not be reconstructed except in conformity with the provisions of this ordinance;
- c) Should such structure be moved for any reason for any distance whatever, it shall thereafter conform to the regulations for the district in which it is located after it is moved.

5. NON-CONFORMING USES OF STRUCTURES - If a lawful use of a structure, or of structure and premises in combination, exists at the effective date of adoption or amendment of this ordinance, that would not be allowed in the district under the terms of this ordinance, the lawful use may be continued so long as it remains otherwise lawful, subject to the following provisions:

- a) No existing structure devoted to a use not permitted by this ordinance in the district in which it is located shall be enlarged, extended, reconstructed, moved, or structurally altered except in changing the use of the structure to a use permitted in the district in which it is located;
- b) Any non-conforming use may be extended throughout any parts of a building which were manifestly arranged or designed for such use at the time of adoption or amendment to this ordinance, but no such use shall be extended to occupy any land outside such building;
- c) If no structural alterations are made, any non-conforming use of a structure, or structure and premises, may be changed to another non-conforming use provided that the Mayor and Board of Aldermen, either by general rule or by making findings in the specific case, shall find that the proposed use is equally appropriate or more appropriate to the district than the existing non-conforming use. In permitting such change, the Board of Aldermen may require appropriate conditions and safeguards in accordance with the provisions of this ordinance;
- d) Any structure, or structure and land in combination, in or on which a non-conforming use is superceded by a permitted use, shall thereafter conform to the regulations for the district in which such structure is located, and the non-conforming use may not thereafter be resumed;
- e) When a non-conforming use of a structure, or structure and premises in combination, is discontinued or abandoned for six consecutive months or for 18 months during any three-year period, the structure, or structure and premises in combination, shall not thereafter be used except in conformity with the regulations of the district in which it is located;
- f) Where non-conforming use status applies to a structure and premises in combination, removal or destruction of the structure shall eliminate the non-conforming status of the land.

6. REPAIRS AND MAINTENANCE - On any building devoted in whole or in part to any non-conforming use, work may be done in any period of 12 consecutive months on ordinary repairs, or on repair or replacement of non-bearing walls, fixtures, wiring or plumbing, to an extent not exceeding 10 percent of the current replacement value of the building, provided that the cubic content of the building as it existed at the time of passage or amendment of this ordinance shall not be increased.

Nothing in this ordinance shall be deemed to prevent the strengthening or restoring to a safe condition of any building or part thereof declared to be unsafe by any official charged with protecting the public safety, upon order of such official.

7. USES UNDER EXCEPTION PROVISIONS NOT NON-CONFORMING USES - Any use for which a special exception is permitted as provided in this ordinance shall not be deemed a non-conforming use, but shall without further action be deemed a conforming use in such district.

SECTION 5. SCHEDULE OF DISTRICT REGULATIONS ADOPTED

District regulations shall be as set forth in the Zoning Schedule, hereby adopted by reference and declared to be a part of this ordinance, and in Section 6 of this ordinance, entitled "Supplementary District Regulations", said Schedule being on file in the office of the Town Clerk.

SECTION 6. SUPPLEMENTARY DISTRICT REGULATIONS

1. VISIBILITY AT INTERSECTIONS IN RESIDENTIAL DISTRICTS - On a corner lot in any residential district, nothing shall be erected, placed, planted, or allowed to grow in such a manner as materially to impede vision between a height of two and a half and ten feet above the centerline grades of the intersecting streets in the area bounded by the street lines of such corner lots and a line joining points along said street lines 50 feet from the point of intersection.

2. FENCES, WALLS AND HEDGES - Notwithstanding other provisions of this ordinance, fences, walls, and hedges, may be permitted in any required yard, or along the edge of any yard, provided that no fence, wall, or hedge along the side or front edge of any front yard shall be over two and one-half feet in height.

SECTION 7. ADMINISTRATION AND ENFORCEMENT - BUILDING PERMITS AND CERTIFICATES OF ZONING COMPLIANCE

1. ADMINISTRATION AND ENFORCEMENT - An administrative official designated by the Mayor and Board of Aldermen shall administer and enforce this ordinance. He may be provided with the assistance of such other persons as the Mayor and Board of Aldermen may direct.

If the administrative official shall find that any of the provisions of this ordinance are being violated, he shall notify in writing the person responsible for such violations, indicating the nature of the violation and ordering the action necessary to correct it. He shall order discontinuance of illegal use of land, buildings, or structures; removal of illegal buildings or structures or of additions, alterations, or structural changes thereto; discontinuance of any illegal work being done; or shall take any other action authorized by this ordinance to insure compliance with or prevent violation of its provisions.

2. BUILDING PERMITS REQUIRED - No building or other structure shall be erected, moved, added to, or structurally altered without a permit therefor, issued by the administrative official. No building permit shall be issued except in conformity with the provisions of this ordinance.

3. APPLICATION FOR BUILDING PERMIT - All applications for building permits shall be accompanied by plans in duplicate drawn to scale, showing the actual dimensions and shape of the lot to be built upon; the exact sizes and locations on the lot of buildings already existing, if any; and the location and dimensions of the proposed building or alteration. This application shall include such other information as lawfully may be required by the administrative official, including existing or proposed building or alteration; existing or proposed uses of the building and land; the number of families, housekeeping units, or rental units the building is designed to accommodate; conditions existing on the lot; and such other matters as may be necessary to determine conformance with, and provide for the enforcement of, this ordinance.

One copy of the plans shall be returned to the applicant by the administrative official, after he shall have marked such copy either as approved or disapproved and attested to same by his signature on such copy. The second copy of the plans, similarly marked, shall be retained by the administrative official.

4. CERTIFICATES OF ZONING COMPLIANCE FOR NEW, ALTERED, OR NON-CONFORMING USES - It shall be unlawful to use or occupy or permit the use or occupancy of any building or premises, or both, or part thereof hereafter created, erected, changed, converted, or wholly or partly altered or enlarged in its use or structure until a certificate of zoning compliance shall have been issued therefor by the administrative official stating that the proposed use of the building or land conforms to the requirements of this ordinance.

No non-conforming structure or use shall be maintained, renewed, changed, or extended until a certificate of zoning compliance shall have been issued by the administrative official. The certificate of zoning compliance shall state specifically wherein the non-conforming use differs from the provisions of this ordinance, provided that upon enactment or amendment of this ordinance, owners or occupants of non-conforming uses or structures shall have three months to apply for certificates of zoning compliance. Failure to make such application within three months shall be presumptive evidence that the property was in conforming use at the time of enactment or amendment of this ordinance.

No permit for erection, alteration, moving or repair of any building shall be issued until an application has been made for a certificate of zoning compliance, and the certificate shall be issued in conformity with the provisions of this ordinance upon completion of the work.

A temporary certificate of zoning compliance may be issued by the administrative official for a period not exceeding six months during alterations or partial occupancy of a building pending its completion, provided that such temporary certificate may require such conditions and safeguards as will protect the safety of the occupants and the public.

The administrative official shall maintain a record of all certificates of zoning compliance, and copies shall be furnished upon request to any person.

Failure to obtain a certificate of zoning compliance shall be a violation of this ordinance and punishable under Section 16 of this ordinance.

5. EXPIRATION OF BUILDING PERMIT - If the work described in any building permit has not begun within 90 days from the date of issuance thereof, said permit shall expire; it shall be cancelled by the administrative official; and written notice thereof shall be given to the persons affected.

If the work described in any building permit has not been substantially completed within two years of the date of issuance thereof, said permit shall expire and be cancelled by the administrative official, and written notice thereof shall be given to the person affected, together with notice that further work as described in the cancelled permit shall not proceed unless and until a new building permit has been obtained.

6. CONSTRUCTION AND USE TO BE AS PROVIDED IN APPLICATIONS, PLANS, PERMITS, AND CERTIFICATES OF ZONING COMPLIANCE - Building permits or certificates of zoning compliance issued on the basis of plans and applications approved by the administrative official authorize only the use, arrangement, and construction set forth in such approved plans and applications, and no other use, arrangement, or construction. Use, arrangement, or construction at variance with that authorized shall be deemed violation of this ordinance, and punishable as provided in Section 16 hereof.

SECTION 8. BOARD OF ADJUSTMENT; PROCEDURE - A Board of Adjustment is hereby established, which shall consist of the Mayor and Board of Aldermen of the Town of Waveland, Mississippi.

1. PROCEEDINGS OF THE BOARD OF ADJUSTMENT - The Mayor and the Board of Aldermen, sitting as the Board of Adjustment, shall adopt rules necessary to the conduct of its affairs, and in keeping with the provisions of this ordinance and Section 1195 of the Mississippi Code of 1942 and all amendments thereto. Meetings shall be held at the call of the chairman and at such other times as the Board may determine. The chairman or, in his absence, the acting chairman, may administer oaths and compel the attendance of witnesses. All meetings shall be open to the public.

The Board shall keep minutes of its proceedings, showing the vote of each member upon each question, or if absent or failing to vote indicating such fact, and shall keep record of its examinations and other official actions, all of which shall be a public record and be immediately filed in the office of the Board.

2. HEARINGS; APPEALS; NOTICE - Appeals to the Mayor and Board of Aldermen concerning the interpretation or administration of this ordinance may be taken by any person aggrieved by any decisions of the Planning and Zoning Commission or of the administrative official. Such appeals shall be taken within a reasonable time, not to exceed 60 days or such lesser period as may be provided by the rules of the Board, by filing with the administrative official and with the Mayor and Board of Aldermen a notice of appeal specifying the grounds thereof. The administrative official shall forthwith transmit to the Board all papers constituting the record upon which the action appealed from was taken. The Mayor and Board of Aldermen shall fix a reasonable time for the hearing of appeal, give public notice thereof as well as due notice to the parties in interest, and decide the same within a reasonable time. At the hearing, any party may appear in person or by agent or attorney.

3. STAY OF PROCEEDINGS - An appeal stays all proceedings in furtherance of the action appealed from, unless the administrative official from whom the appeal is taken certifies to the Mayor and the Board of Aldermen after the notice of appeal is filed with him, that by reason of facts stated in the certificate, a stay would, in his opinion, cause imminent peril to life and property. In such case proceedings shall not be stayed other than by a restraining order which may be granted by the Mayor and Board of Aldermen or by a court of record on application, on notice to the administrative official from whom the appeal is taken and on due cause shown.

SECTION 9. THE BOARD OF ADJUSTMENT; POWERS AND DUTIES.

The Mayor and the Board of Aldermen, sitting as the Board of Adjustment, shall have the following powers and duties:

1. ADMINISTRATIVE REVIEW - To hear and decide appeals where it is alleged there is error in any order, requirement, decision, or determination made by the administrative official in the enforcement of this ordinance.

2. SPECIAL EXCEPTIONS; CONDITIONS GOVERNING APPLICATIONS; PROCEDURES - To hear and decide only such special exceptions as the Board of Adjustment is specifically authorized to pass on by the terms of this ordinance; to decide such questions as are involved in determining whether special exceptions should be granted; and to grant special exceptions with such conditions and safeguards as are appropriate under this ordinance, or to deny special exceptions when not in harmony with the purpose and intent of this ordinance. A special exception shall not be granted by the Mayor and the Board of Aldermen unless and until:

- a) A written application for a special exception is submitted indicating the section of this ordinance under which the special exception is sought and stating the grounds on which it is requested;
- b) Notice is given to the property owner and to the adjacent property owners of the proposed special exception and of the time and place at which the Board of Adjustment will hear and decide the same; and
- c) The Board of Adjustment finds that the special exception is in the public interest and that it is consistent with the purpose and intent of this ordinance.

3. APPLICATION FOR BUILDING PERMIT - All applications for building permits shall be accompanied by plans in duplicate drawn to scale, showing the actual dimensions and shape of the lot to be built upon; the exact sizes and locations on the lot of buildings already existing, if any; and the location and dimensions of the proposed building or alteration. This application shall include such other information as lawfully may be required by the administrative official, including existing or proposed building or alteration; existing or proposed uses of the building and land; the number of families, housekeeping units, or rental units the building is designed to accommodate; conditions existing on the lot; and such other matters as may be necessary to determine conformance with, and provide for the enforcement of, this ordinance.

SECTION 10. BOARD OF ADJUSTMENT; PROCEDURE - A Board of Adjustment is hereby established, which shall consist of the Mayor and Board of Aldermen of the Town of Waveland, Mississippi.

1. PROCEEDINGS OF THE BOARD OF ADJUSTMENT - The Mayor and the Board of Aldermen, sitting as the Board of Adjustment, shall adopt rules necessary to the conduct of its affairs, and in keeping with the provisions of this ordinance and Section 1195 of the Mississippi Code of 1942 and all amendments thereto. Meetings shall be held at the call of the chairman and at such other times as the Board may determine. The chairman or, in his absence, the acting chairman, may administer oaths and compel the attendance of witnesses. All meetings shall be open to the public.

The Board shall keep minutes of its proceedings, showing the vote of each member upon each question, or if absent or failing to vote indicating such fact, and shall keep record of its examinations and other official actions, all of which shall be a public record and be immediately filed in the office of the Board.

2. HEARINGS; APPEALS; NOTICE - Appeals to the Mayor and Board of Aldermen concerning the interpretation or administration of this ordinance may be taken by any person aggrieved by any decisions of the Planning and Zoning Commission or of the administrative official. Such appeals shall be taken within a reasonable time, not to exceed 60 days or such lesser period as may be provided by the rules of the Board, by filing with the administrative official and with the Mayor and Board of Aldermen a notice of appeal specifying the grounds thereof. The administrative official shall forthwith transmit to the Board all papers constituting the record upon which the action appealed from was taken. The Mayor and Board of Aldermen shall fix a reasonable time for the hearing of appeal, give public notice thereof as well as due notice to the parties in interest, and decide the same within a reasonable time. At the hearing, any party may appear in person or by agent or attorney.

3. STAY OF PROCEEDINGS - An appeal stays all proceedings in furtherance of the action appealed from, unless the administrative official from whom the appeal is taken certifies to the Mayor and the Board of Aldermen after the notice of appeal is filed with him, that by reason of facts stated in the certificate, a stay would, in his opinion, cause imminent peril to life and property. In such case proceedings shall not be stayed other than by a restraining order which may be granted by the Mayor and Board of Aldermen or by a court of record on application, on notice to the administrative official from whom the appeal is taken and on due cause shown.

SECTION 9. THE BOARD OF ADJUSTMENT; POWERS AND DUTIES.

The Mayor and the Board of Aldermen, sitting as the Board of Adjustment, shall have the following powers and duties:

Sheriff says Our Readers Write

Editor, Sea Coast Echo:

This is an open letter to the people of Hancock County, and anyone else who may be interested in reading same. I am writing this letter in order to clear up certain things which were mentioned in the Grand Jury's report, dated January 24th, 1963, published in the January 24th issue of your newspaper.

The Grand Jury complained about the fact that the jail each month and recommended that the prisoners get out of the jail in order to keep their heads above water. I would like to state that the prisoners in the Hancock County Jail are placed there by the Mississippi Highway Patrol, the constables of each Beat in Hancock County, the City of Bay St. Louis, police officers, the Sheriff from the Town of Waveland and the Sheriff's Department.

As for the prisoners working while they are incarcerated in the county jail I would like to make mention of the jobs which the prisoners do while in jail.

(1) The prisoners keep the jail and courthouse grounds clean.
(2) Once a week, the prisoners clean the Highway neutral ground and shoulders from the intersection of the Bay St. Louis Toll Bridge and North Beach Boulevard to the city limits.

(3) Once a week the prisoners clean the Hancock County Welfare Department and Department of Agriculture buildings.

(4) The prisoners go to the cemeteries when called on and clean up the grounds.

(5) The prisoners assist in the hauling and unloading of rocks for the Public Pier being built by the American Legion Home when rocks are made available from County works.

(6) They cut grass along the county seaway.

(7) They cut grass and clean the Hancock County Home for the Aged once a week and in the past year they made a concrete walkway from the home to the service lane by the Home.

(8) The prisoners cut the grass and clean the Hancock County General Hospital grounds once a week, and they clean windows and do other things that are needed at the Hancock County General Hospital.

(9) They have assisted the Mississippi Conservation Department in unloading oyster shells when the department made oyster beds in the Bay of St. Louis.

(10) The prisoners have volunteered to give blood at the hospital whenever needed.

I would further like to say that all prisoners, not in jail for felony or ill, work on the above projects.

While on this subject I would like to give you, the people of Hancock County a few facts which might very well fascinate you. In Harrison County, they have five (5) patrol cars, one for each Beat, and the Harrison County General Fund pays for this. Harrison County also pays the salaries of the deputies who drive these cars, furnish the automobiles and pay all automobile expenses. Harrison County also furnishes a man to operate the two way radio and a man to operate the teletype machine.

In contrast, the sheriff of Hancock County, must furnish all patrol cars, pay all of the salaries of his deputies and pay all of the expenses of the patrol cars, such as gas, tires, etc. The sheriff of Hancock County must furnish a man to operate

the teletype machine and the two way radio and the sheriff must pay the operator's salary. The average cost per month of the above services, which costs are borne by the sheriff are as follows:

Salaries to deputies and Radio operator \$900.00, Repairs and gasoline for patrol cars \$500.00. This makes a total of \$1,400.00

per month expended by the sheriff's office in order to run the office efficiently and it does not include the salaries paid to the ladies who work in the tax collector's office. All of the above is done at no cost to the taxpayers of Hancock County.

I would also like to state that for the first time in the history of Hancock County the Sheriff's Office has a twenty-four (24) hour service. The Sheriff's Department has a deputy on duty and in the Patrol car twenty-four (24) hours a day for your protection. The sheriff's department has been called at all hours of the night on emergencies. There is always a man in the sheriff's office to answer any emergency call.

The sheriff's department, during my term of office, has had to go as far as Slidell, Louisiana, to pick up instruments to be used in an operation at Hancock County Hospital. We have had to go to the Mississippi State line in order to pick up blood plasma which was needed at the Hancock County Hospital. We have had to go to all parts of the County on various emergencies at all times in the night. All of this has been done at no cost to the taxpayers of Hancock County.

The Sheriff's Department of Hancock County has solved ninety-five (95) per cent of the robberies committed in our County.

I would like to take this opportunity to state that I am very proud of the work done by my deputies and the prisoners in the Hancock County Jail and that my office will continue to have twenty-four (24) hour service as long as I am sheriff and it will continue to serve the people of Hancock County as best as it can.

I want to thank the newspapers for being so courteous to me in giving me the necessary space to print this letter and I want to apologize for the length of same, however I felt that something should be said in order to clear up certain statements made by the Grand Jury of Hancock County.

Someone suggested that for protection of Our Lady of the Gulf children it might be well to block City Park to through the at the beginning and ending of each day. Second Street is actively patrolled but the policeman can't be everywhere and little ones walk sedately across that thoroughfare then dart in cars on City Park. Received a lovely letter and most amusing cartoon from Mrs. Frances Lawson who now lives in Baton Rouge but we have a feeling she thinks of the coast as home. . . . we were unaware of her Clermont Harbor visit last year until the day she was leaving. . . . so we're reminding her to let us know when she'll be here again so we can meet one of our favorite correspondents in person. Speaking of correspondents, we're a little worried about Hazel Alin not having heard from her in much too long.

Wishing jottings

Glad tidings—our good friend, the Montgomery, who was so ill during Christmas holidays is making an amazingly rapid recovery and according to equal pal, Herb Baron, he's doing wonderful. Also happy report that Mr. Charlie Molise is much better—he's now able to pull himself to a sitting position in his bed at Veterans' hospital.

Get well wishes go to Toulme who entered Hancock General for emergency surgery Friday and to Gladys Noonan—she's suffering from pleurisy, but we'll she'll be well enough to attend Fireman's Ball Saturday night. Travis Culbreath returned to work for the first time Monday after suffering a heart attack several months ago. Travis had more of his share of illness in 1962 having been hospitalized on six occasions. . . . better luck this year, boy! Elsie and John Klein have reason for rejoicing—they're expecting their second child in July. We wish them the best of luck as they lost two before the birth of adorable little Cindy Ann.

Maria T. Jones hoped to escape the cold as he showed three needles in St. Petersburg, Fla., last week—however it wasn't much more comfortable there, then he called wife Bobbie Thursday night, he had all three needles in bed with him for warmth. Happy birthday John Garza—John was '39 on Tuesday the 29th, and to Melanie L. fant who celebrated at a party last Wednesday.

Alma and Willie Conrad celebrated Willie's birthday . . . Haverly's Saturday night. They drove to the coast after attending a wedding in the Crescent City, discovered a geyser in the kitchen of their home at 449 Central Ave. . . . wanted out to enjoy themselves. . . . and will worry about broken pipes when the weather improves. Birthday greetings also go to Marilyn (Mrs. Buddy) Haverly—

Bad Seed wins best play prize

Bad Seed, three-act drama by Maxwell Anderson presented at the Little Theatre last December, was awarded the best play of 1962 by a vote of the anonymous awards committee at the annual membership committee of the theater last Thursday.

Mrs. Frank Kiefer directed the play starring Jewell Nemann, Mrs. Rene deMontezin, Andre Arceneaux, Mrs. John Hart and Mrs. Eugene Ling were in principal supporting roles. Also in the cast were Mrs. Charles Carter, Capt. Harold Powell, Ed Calvin, Teddy Stechmann, Jr., John Stern and Norman Carter.

Luke leads Tigers to win over Rocks

Leroy Lake tallied 19 points to lead Bay High varsity to a 59-45 victory over St. Stanislaus cagers in the SSC gym Tuesday night. The Tigers led 32-23 at the half.

Tied with 12 points each for Bay High were Ross Maurigl, Richard Schofer and Teddo Thomas.

Nodie Lodner was high for Stanislaus with 20 points and Curtis Matherne got 11.

She was 21 Friday.

Omega and Haswell Swasey, Jr., braved highways between here and Jackson to weekend in their Waveland home. When asked why he insisted upon attaching the junior to his name, Haswell replied: "I don't ever want to grow up." quote. . . . so he is as of now officially nicknamed "Peter Pan!"

SIGHTS AND SOUNDS ALONG THE WAY—The utterly fascinating spectacle of any building under construction—St. Clare's huge ribs slowly disappearing under roofing and People's Federal which appears to be literally jumping toward completion—Sandpipers joined in their perpetual beach foraging by robins, cardinals and even a blue jay or two and the monotonous repetition of radio and tv weather bulletins. . . . ugh!

Speaking of the Lenfants, Margie and Jay's new home is underway—the slab was poured last week and with a little cooperation from the weatherman, they'll be moving in before too long.

Help!

Two small boys, Gil and Ronald, are heartbroken over the loss of their small brown long-haired terrier type dog which disappeared from their Market Street home. Thursday. The pooch, which has a white neck and chest, fluffy tail and is wearing an anti-rabies tag, answers to the name of Tiger. Anyone knowing the animal's whereabouts may contact their mother, Ann at Waveland Drug, or phone A. F. Jenkins.

Richard Toribio, sometimes known as Cinderella, weekendend at his Clermont Harbor home. . . . he attended the Thoth ball of which he's a Krewe member Tuesday night. Another vacationer, Warren Thuboleaux belongs to the same Carnival club, as did the late, and much missed Henry Keith.

Cold casualty

of such hearings shall be posted on the property for which special exception is sought, at the Town Hall, and in one other public place, at least fifteen (15) days prior to the public hearing.

c) The public hearing shall be held. Any party may appear in person, or by agent or attorney.
d) The Mayor and Board of Aldermen shall make a finding that it is empowered under the section of this ordinance described in the application to grant the special exception, and that the granting of the special exception will not adversely affect the public interest.

In granting any special exception, the Mayor and Board of Aldermen may prescribe appropriate conditions and safeguards in conformity with this ordinance. Violation of such conditions and safeguards, when made a part of the terms under which the special exception is granted, shall be deemed a violation of this ordinance and punishable under Section 16 of this ordinance. The Mayor and Board of Aldermen shall prescribe a time limit within which the action for which the special exception is required shall be begun or completed, or both. Failure to begin or complete, or both, such action within the time limit set shall void the special exceptions.

3. VARIANCES; CONDITIONS GOVERNING APPLICATIONS; PROCEDURES

To authorize upon appeal in specific cases such variance from the terms of this ordinance as will not be contrary to the public interest where, owing to special conditions, a literal enforcement of the provisions of this ordinance would result in unnecessary hardship. A variance from the terms of this ordinance shall not be granted by the Mayor and the Board of Aldermen unless and until:

a) A written application for a variance is submitted demonstrating:

1. That special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same district;
2. That literal interpretation of the provisions of this ordinance would deprive the applicant of rights commonly enjoyed by other properties in the same district under the terms of this ordinance;
3. That the special conditions and circumstances do not result from the actions of the applicant;
4. That granting the variance requested will not confer on the applicant any special privilege that is denied by this ordinance to other lands, structures, or buildings in the same district.

No non-conforming use of neighboring lands, structures, or buildings in the same district, and no permitted use of lands, structures or buildings in other districts shall be considered grounds for the issuance of a variance.

b) Notice of public hearing shall be given as in Section 9 (2) (b) above;

c) The public hearing shall be held. Any party may appear in person, or by agent or by attorney.

d) The Mayor and the Board of Aldermen shall make findings that the requirements of Section 9 (3) (a) have been met by the applicant for a variance;

e) The Mayor and the Board of Aldermen shall further make a finding that the reasons set forth in the application justify the granting of the variance, and that the variance is the minimum variance that will make possible the reasonable use of the land, building, or structure;

f) The Mayor and the Board of Aldermen shall further make a finding that the granting of the variance will be in harmony with the general purpose and intent of this ordinance, and will not be injurious to the neighborhood, or otherwise detrimental to the public welfare.

In granting any variance, the Mayor and Board of Aldermen may prescribe appropriate conditions and safeguards in conformity with this ordinance. Violation of such conditions and safeguards, when made a part of the terms under which the variance is granted, shall be deemed a violation of this ordinance and punishable under Section 16 of this ordinance. The Mayor and Board of Aldermen shall prescribe a time limit within which the action for which the variance is required shall be begun or completed, or both. Failure to begin or complete, or both, such action within the time limit set shall void the variance.

the terms of this ordinance in said district.

4. DECISIONS OF THE MAYOR AND BOARD OF ALDERMEN

In exercising the above mentioned powers, the Mayor and Board of Aldermen may, so long as such action is in conformity with the terms of this ordinance, reverse or affirm, wholly or partly, or may modify the order, requirement, decision, or determination appealed from and may make such order, requirement, decision, or determination as ought to be made, and to that end shall have powers of the administrative official or Planning and Zoning Commission from whom the appeal is taken. The majority vote of the Mayor and Board of Aldermen shall be necessary to reverse a requirement, decision, or determination of the administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under this ordinance.

SECTION 10. APPEALS FROM THE MAYOR AND BOARD OF ALDERMEN

Any person or persons, or any board, taxpayer, department, board or bureau of the Town aggrieved by any decision of the Mayor and Board of Aldermen may seek review by a court of record of such decision, in the manner provided by the laws of the State of Mississippi and particularly Section 1195 of the Mississippi Code of 1942 and all amendments thereto.

SECTION 11. DUTIES OF ADMINISTRATIVE OFFICIAL, MAYOR AND BOARD OF ALDERMEN, AND COURTS ON MATTERS OF APPEAL.

It is the intent of this ordinance that all question of interpretation and enforcement shall be first presented to the Planning Commission, and that such questions shall be presented to the Mayor and Board of Aldermen only on appeal from the decision of the Planning Commission, and that recourse from the decisions of the Mayor and Board of Aldermen shall be to the court as provided by law and particularly by Section 1195 of the Mississippi Code of 1942 and all amendments thereto.

Under this ordinance the Mayor and Board of Aldermen shall have, in addition to their duties as a Board of Review, the duties of (1) considering and adopting or rejecting proposed amendments or the repeal of this ordinance, as provided by law, and (2) of establishing a schedule of fees and charges as stated in Section 12, below.

SECTION 12. SCHEDULE OF FEES, CHARGES, AND EXPENSES.

The Mayor and Board of Aldermen shall establish a schedule of fees, charges, and expenses, and a collection procedure, for building permits, certificates of zoning compliance, appeals, and other matters pertaining to this ordinance. The schedule of fees listed below shall be posted in the office of the Town Clerk, and may be altered or amended only by the Mayor and Board of Aldermen.

No permits, certificates, special exception, or variance shall be issued unless or until such fees, charges, or expenses listed below have been paid in full, nor shall any action be taken on proceedings before the Mayor and Board of Aldermen unless or until preliminary charges and fees have been paid in full.

1. Before any action shall be taken by the Planning and Zoning Commission as provided herein, the party or parties proposing or recommending a change in the district regulations or district boundaries shall deposit with the Town Clerk the sum of Twenty-Five Dollars (\$25.00) for each text change not involving acreage or Five Dollars (\$5.00) for each acre of land or portion thereof for which a change in classification is proposed or recommended to cover the approximate cost of this procedure; however, the minimum fee shall not be less than Twenty-Five Dollars (\$25.00) regardless of acreage, and the maximum fee shall not exceed Two Hundred Dollars (\$200.00) which shall apply for all areas of forty (40) or more acres; and under no condition shall said sum or any part thereof be refunded for failure of said change to be adopted by the Mayor and Board of Aldermen.

2. Should a notice of appeal be filed, a fee of Fifty Dollars (\$50.00) shall be paid to the Town Clerk at the time the notice of appeal is filed. Should the appeal be sustained, the fee shall be refunded. Should the appeal be denied, the fee shall be retained by the Town.

one public notice, by the Mayor and Board of Aldermen.

SECTION 13. AMENDMENTS

The regulations, restrictions and boundaries set forth in this ordinance may from time to time be amended, supplemented, changed, or repealed, provided, however, that no such action may be taken until after a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard. At least fifteen days notice of the time and place of such hearing shall be published in a newspaper of general circulation in the Town.

In case, however, of a protest against such change signed by the owners of twenty per cent or more either of the area of the lots included in such proposed change, or of those immediately adjacent to the rear thereof extending 500 feet therefrom, or of those directly opposite thereto extending 500 feet from the street frontage of such opposite lots, such amendments shall not become effective except by a favorable vote of the majority of the governing body of the Town of Waveland.

SECTION 14. PROVISIONS OF ORDINANCE DECLARED TO BE MINIMUM REQUIREMENTS.

In their interpretation and application, the provisions of this ordinance shall be held to be minimum requirements, adopted for the promotion of the public health, safety, morals or general welfare. Wherever the requirements of this ordinance are at variance with the requirements of any other lawfully adopted rules, regulations, ordinances, deed restrictions or covenants, the most restrictive or that imposing the higher standards, shall govern.

SECTION 15. COMPLAINTS REGARDING VIOLATIONS

Whenever a violation of this ordinance occurs, or is alleged to have occurred, any person may file a written complaint. Such complaint stating fully the causes and basis thereof shall be filed with the administrative official. He shall record properly such complaint, immediately investigate, and take action thereon as provided by this ordinance.

SECTION 16. PENALTIES FOR VIOLATION

Violation of the provisions of this ordinance or failure to comply with any of its requirements shall constitute a misdemeanor. Any person who violates this ordinance or fails to comply with any of its requirements shall upon conviction thereof be fined not more than \$100 or imprisoned for not more than 30 days, or both, and in addition shall pay all costs and expenses involved in the case. Each day such violation continues shall be considered a separate offense.

The owner or tenant of any building, structure, premises, or part thereof, and any architect, builder, contractor, agent, or

other person who commits, participates in, assists in, or maintains such violation may each be found guilty of a separate offense and suffer the penalties herein provided.

Nothing herein contained shall prevent the Town from taking such other lawful action as is necessary to prevent or remedy any violation.

SECTION 17. SEPARABILITY CLAUSE

Should any section or provision of this ordinance be declared by the courts to be unconstitutional or invalid, such decision shall not affect the validity of the ordinance as a whole, or any part thereof other than the part so declared to be unconstitutional or invalid.

SECTION 18. DEFINITIONS

For the purpose of this ordinance, certain terms or words used herein shall be interpreted as follows:

The word PERSON includes a firm, association, organization, partnership, trust, company, or corporation as well as an individual.

The present tense includes the future tense, the singular number includes the plural, and the plural number includes the singular.

The word SHALL is mandatory, the word MAY is permissive.

The words USED or OCCUPIED include the words "intended", "designed", or "arranged" to be used or occupied.

The word LOT includes the words "plot" or "parcel".

ACCESSORY USE OR STRUCTURE - A use or structure on the same lot with, and of a nature customarily incidental and subordinate to, the principal use or structure.

DWELLING, SINGLE-FAMILY - A detached residence designed for or occupied by one family only.

DWELLING, TWO-FAMILY - A residence designed for or occupied by two families only, with separate housekeeping and cooking facilities for each.

DWELLING, MULTIPLE-FAMILY - A residence designed for or occupied by three or more families, with separate housekeeping and cooking facilities for each.

FAMILY - One or more persons occupying a single housekeeping unit and using common cooking facilities, provided that unless all members are related by blood or marriage, no such family shall contain over five persons.

LOT - For zoning purposes, as covered by this ordinance, a lot is a parcel of land of at least sufficient size to meet minimum zoning requirements for use, coverage and area, and to provide such yards and other open spaces as are herein required. Such lot shall have frontage on an improved public street, and may consist of:

- a) a single lot of record;
- b) a portion of a lot of record;
- c) a combination of complete lots of record, or complete lots of record and portions of lots of

record, or of portions of lots of record;

d) a parcel of land described by metes and bounds;

provided that in no case of division or combination shall any residual lot or parcel be created which does not meet the requirements of this ordinance.

LOT FRONTAGE - The front of a lot shall be construed to be the portion nearest the street. For the purpose of determining yard requirements on corner lots and through lots, all sides of a lot adjacent to streets shall be considered frontage, and yards shall be provided as indicated under YARDS in this section.

LOT MEASUREMENTS:

a) Depth of a lot shall be considered to be the distance between the midpoints of straight lines connecting the foremost points of the side lot lines in front and the rear-most points of the side lot lines in the rear.

b) Width of a lot shall be considered to be the distance between straight lines connecting front and rear lot lines at each side of the lot, measured across the rear of the required front yard, provided however that width between side lot lines at their foremost points (where they intersect with the street line) shall not be less than 80 per cent of the required lot width except in the case of lots on the turning circle of cul-de-sacs, where the 80 per cent requirement shall not apply.

LOT OF RECORD - A lot which is part of a subdivision recorded in the office of the Clerk of Court of Hancock County, Mississippi, or a lot or parcel described by metes and bounds, the description of which has been so recorded.

LOT TYPES - Plate I attached illustrates terminology used in this ordinance with reference to "corner" lots, "interior" lots, "reversed frontage" lots and "through" lots:

In Plate I, A - "corner lot", defined as a lot located at the intersection of two or more streets. A lot abutting on a curved street or streets shall be considered a corner lot if straight lines drawn from the foremost points of the side lot lines to the foremost point of the lot meet at an interior angle of less than 135 degrees. See lots marked A (1) in Plate I.

B - "interior" lot, defined as a lot other than a corner lot with only one frontage on a street other than an alley.

C - "through" lot, defined as a lot other than a corner lot with frontage on more than one street other than an alley. Through lots with frontage on two streets may be referred to as "double frontage" lots.

D - "reversed frontage" lot, defined as a lot in which the frontage is at right angles, or approximately right angles, to the general pattern in the area involved. A reversed frontage lot may also be a corner lot or an interior lot (see A-D and B-D in Plate I).

YARDS - The required open space unoccupied and unobstructed by any structure or portion of a structure from 30 inches above the general ground level of the graded lot upward, provided however that fences and walls may be permitted in any yard subject to height limitations as indicated herein.

YARD, FRONT - A yard extending between side lot lines across the front of a lot.

YARD, SIDE - A yard extending from the rear line of a lot to the side lot line.

YARD, REAR - A yard extending across the rear of a lot between inner side yard lines.

YARD, CORNER - A yard extending across the rear of a lot between inner side yard lines.

YARD, REVERSED FRONTAGE - A yard extending across the rear of a lot between inner side yard lines.

YARD, REVERSED REAR - A yard extending across the rear of a lot between inner side yard lines.

YARD, REVERSED SIDE - A yard extending across the rear of a lot between inner side yard lines.

YARD, REVERSED THROUGH - A yard extending across the rear of a lot between inner side yard lines.

YARD, REVERSED INTERIOR - A yard extending across the rear of a lot between inner side yard lines.

YARD, REVERSED CORNER - A yard extending across the rear of a lot between inner side yard lines.

YARD, REVERSED REVERSED FRONTAGE - A yard extending across the rear of a lot between inner side yard lines.

YARD, REVERSED REVERSED REAR - A yard extending across the rear of a lot between inner side yard lines.

YARD, REVERSED REVERSED SIDE - A yard extending across the rear of a lot between inner side yard lines.

YARD, REVERSED REVERSED THROUGH - A yard extending across the rear of a lot between inner side yard lines.

YARD, REVERSED REVERSED INTERIOR - A yard extending across the rear of a lot between inner side yard lines.

YARD, REVERSED REVERSED CORNER - A yard extending across the rear of a lot between inner side yard lines.

YARD, REVERSED REVERSED REVERSED FRONTAGE - A yard extending across the rear of a lot between inner side yard lines.

YARD, REVERSED REVERSED REVERSED REAR - A yard extending across the rear of a lot between inner side yard lines.

YARD, REVERSED REVERSED REVERSED SIDE - A yard extending across the rear of a lot between inner side yard lines.

YARD, REVERSED REVERSED REVERSED THROUGH - A yard extending across the rear of a lot between inner side yard lines.

chitectural features of buildings, except letters, trademarks, moving parts, or moving lights;
5) Signs directing and guiding traffic and parking on private property, but bearing no advertising matter.

SIGNS, NUMBER AND SURFACE AREA

For the purpose of determining number of signs, a sign shall be considered to be a single display surface or display device containing elements organized, related, and composed to form a unit. Where matter is displayed in a random manner without organized relationship of elements, or where there is reasonable doubt about the relationship of elements, each element shall be considered to be a single sign.

The surface area of a sign shall be computed as including the entire area within a regular geometric form or combinations of regular geometric forms comprising all of the display area of the sign and including all of the elements of the matter displayed. Frames and structural members not bearing advertising matter shall not be included in computation of surface area.

SIGN, ON-SITE

A sign relating in its subject matter to the premises on which it is located, or to products, accommodations, services, or activities on the premises. On-site signs do not include signs erected by the outdoor advertising industry in the conduct of the outdoor advertising business.

SIGN, OFF-SITE

A sign other than an on-site sign.

SPECIAL EXCEPTION

A special exception is a use that would not be appropriate generally or without restriction throughout the zoning division or district but which, if controlled as to number, area, location, or relation to the neighborhood, would promote the public health, safety, welfare, morals, order, comfort, convenience, appearance, prosperity, or general welfare. Such uses may be permitted in such zoning division or district as special exceptions, if specific provision for such special exceptions is made in this zoning ordinance.

STREET LINE

The right-of-way of a street.

STRUCTURE

Anything constructed or erected with a fixed location on the ground, or attached to something having a fixed location on the ground. Among other things, structures include buildings, mobile homes, walls, fences, billboards, and poster panels.

VARIANCE

A variance is a relaxation of the terms of the zoning ordinance where such variance will not be contrary to the public interest and where, owing to conditions peculiar to the property and not the result of the actions of the applicant, a literal enforcement of the ordinance would result in unnecessary and undue hardship. As used in this ordinance, a variance is authorized only for height, area, and size of structure or size of yards and open spaces; establishment or expansion of a use otherwise prohibited shall not be allowed by variance, nor shall a variance be granted because of the presence of non-conformities in the zoning division or district or adjoining zoning divisions or districts.

YARD

A required open space unoccupied and unobstructed by any structure or portion of a structure from 30 inches above the general ground level of the graded lot upward, provided however that fences and walls may be permitted in any yard subject to height limitations as indicated herein.

YARD, FRONT

A yard extending between side lot lines across the front of a lot.

YARD, SIDE

depth required yards in the district provided on the other side of the street.

In the case of the Planning Commission, the mission shall determine yard requirements following limitations:

one front yard shall have full depth required in the district; the front yard on such lots shall be less than half the depth required generally.

Depth of required rear yard shall be measured from a straight line joining the most points of the side lot lines. The foremost point of the side lot line, in the case of property corners at street intersections, shall be the point at which the front and rear lot lines would intersect without such rounding. The rear front yard line shall be parallel to the rear lot line.

In the case of through side yards shall extend to the rear lines of the front yard required. In the case of lots with normal frontage, there will be only one side yard adjacent to the interior lot line. In the case of corner lots with frontage, the yards rear of the full and half-depth yards have been established shall be considered to be side yards. Width of required side yard shall be measured from a straight line joining the front and rear lot lines of the same side of the lot. Inner side yard line of a required side yard shall be parallel to the straight line established.

YARD, REAR - A yard extending across the rear of a lot between inner side yard lines. In the case of through lots, reversed frontage corner lots there will be no rear yard in the case of corner lots with normal frontage, the rear yard extend from the inner side line of the side yard to the line of the half-depth front yard. Depth of required rear yard shall be measured from a straight line joining the most points of the side lot lines. The forward rear yard shall be parallel to the straight line established.

Plate II indicates the location of yards on rectangular lots. Plate III indicates the method of measuring yards on nonrectangular lots.

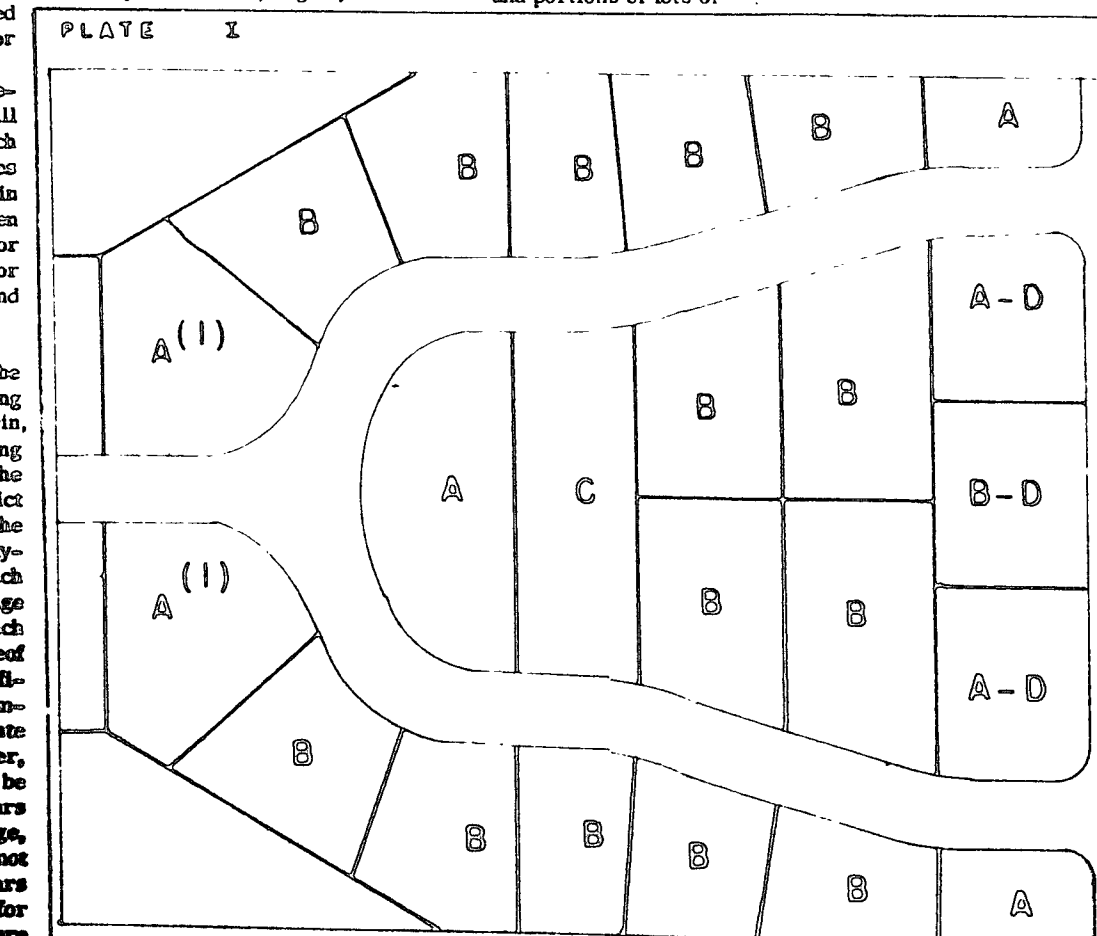

ILLUSTRATION OF TERMINOLOGY USED

OUTDOOR ADVERTISING BUSINESS

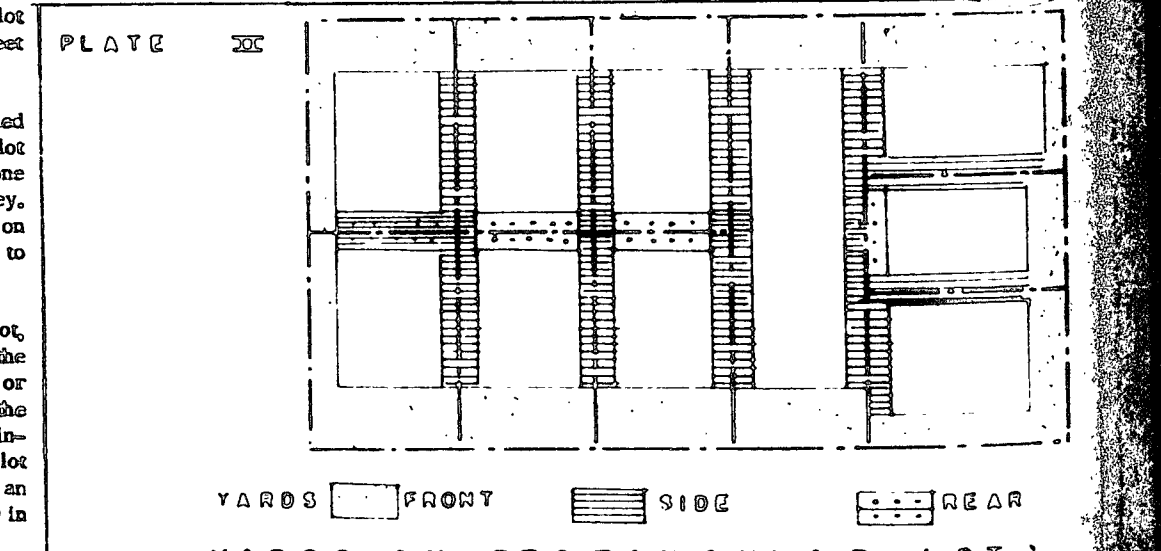

Provision of outdoor displays or display space on a lease or rental basis only.

PARKING SPACE, OFF-STREET

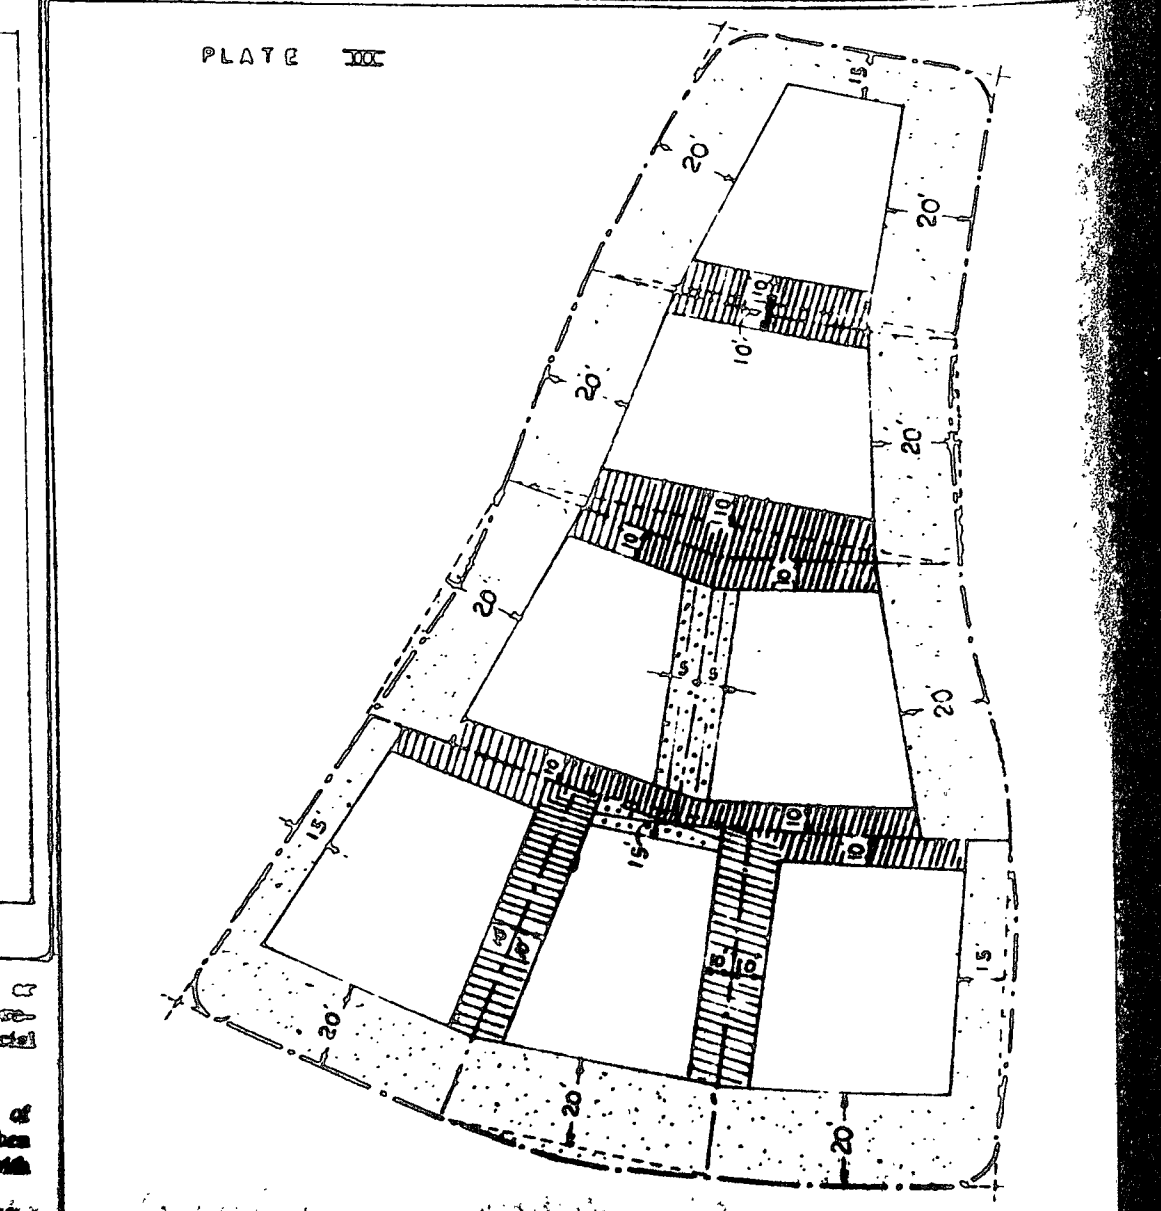

An off-street parking space shall comprise not less than 100 square feet of parking space, exclusive of maneuvering space, space for maneuvering, space for parking of vehicles, and space for parking of vehicles. Every off-street parking space shall be accessible from a public way.

SIGN

Any device designed to inform, or attract the attention of persons not on the premises on which the sign is located, provided however, that the following shall not be included in the application of the regulations herein:

To our Patrons and Friends

February 1st 1963 we will celebrate the 32nd anniversary of our years in business in Bay St. Louis. Your support and patronage it would not have been possible and we thank you most humbly and assure you of our appreciation - We have tried to build our business service and honesty and have always kept your interest in our minds. Also, we have tried to give you the very best lines of merchandise - in the Service we consider Good Gulf Products the best attainable in our dealership - Pontiac and Tempest cars are surpassed. Too, in keeping with the times we have added Prize trading stamps.

Business today is not the smooth sailing that it was in the past. In all lines of business, competition is keen. Sometimes very unscrupulous, profits are small and prices are high, but we are still striving to maintain the quality of service at a minimum cost to our customers.

Because of you who have been our patrons we again thank you and to those who have been our friends we extend a sincere invitation to you to do business with us. We really want and need your patronage.

To the newcomers in Bay St. Louis we extend a warm welcome and an invitation for you to come to us with your business or for any information that we might help you.

PORTER'S PONTIAC SERVICE

101 AVENUE - HO 7-4081 - BAY ST. LOUIS, MISS.

MR. AND MRS. FRANK EDWARD MADDEN Miss Penrose is wed to Mr. Madden Saturday

Arrangements of white flowers decked the altar of Christ Episcopal Church for the wedding at 2 p.m. Saturday of Miss Penrose, daughter of Mr. and Mrs. Norvin Harris Penrose, of Waveland, and Frank Edward Madden, son of Mr. and Mrs. Frank Edgar Madden of Jackson. Rev. Charles R. Johnson, rector, performed the double ring ceremony.

Mr. Penrose gave his daughter in marriage.

Miss Dawn Penrose was maid of honor for her sister and Miss Betty Ruhr of Waveland was bridesmaid.

Guy Hopkins of Jackson was best man and Douglas Womak, also of Jackson, was groomsmen. Ushers were Norvin Harris Penrose, Jr., of Waveland and Kenneth L. Madden of Jackson.

A reception followed at the home of the bride's parents on Jeff Davis Avenue. White flowers decorated the room and the bride's table was laid with a white linen cloth. Silver candelabras flanked the wedding cake.

After a brief honeymoon on the Gulf Coast the couple is at home in Jackson.

LAKESHORE LOG

BY MRS. MALCOLM GREEN

HO 7-5816

Miss Adele Parks, Hancock General lab. technician, is all smiles since she received delivery of her new black Impala with the gorgeous red interior. Makes going to conventions all the more pleasant.

Gulfview School co-op club met Jan. 21. Due to the cold only a handful attended, but those present decided to once again sponsor a float in the coming Mardi Gras parade in the Bay.

Final plans for the presentation of the D. H. Holmes Mini-trel Show Saturday night, Feb. 16, were discussed. Tickets and circulars were distributed to those present. Miss Gertrude Perkins' sixth grade won the room count. Members present were Mesdames Milton Stoufflet, George O'Farrell, Vertis Miller, Louis Garcia, Cecil Barnes, Oren Seal, Fred Johnston, W. H. Barnes, Miss Gertrude Perkins and yours truly.

Roy and Evelyn Fayard and the new son have closed their Waveland shop and are living in Biloxi. Best wishes go along from the many friends they made while here.

Mrs. Dathu, mother of Mrs. John Weathers, missed a step at a recent wedding in New Orleans and injured her ankle, forcing her to remain in town for several weeks.

Miss Gertrude Perkins is a member of Dantagnans Realty firm now, selling in her days off and spare time from teaching at Gulfview.

Feted on birthday

Lyric Ann Heverling, daughter of Mr. and Mrs. James Heverling, was honored at a party on the occasion of her first birthday Jan. 25. A Valentine motif was used in decorations. Ice cream and punch were served. Guests included Kelly Poolson, Andre and Angelle Arceneaux, Curtis and Mike McCrystal, Joe Schultz and Mesdames Charles Poolson, Andre Arceneaux and Travis Culbreath.

Without my phone, I'd never get the day done... that's the way busy Mrs. Bramlett Roberts of Oxford describes her phone. "My telephone diary shows that I saved nearly \$38.00 and about 15 hours in the week by using my phone," she says... "for instance, I ordered last minute items from the store, made dental appointments for the children and arranged a club meeting... as well as keeping in touch with friends and family all by telephone."

How many more ways can your phone help you each day? For convenience and savings, your telephone does much... yet costs so little.

Hawks, Pirates cop Bay tourney titles

Hancock North Central trounced Bay High 66-46 Saturday night in the finals of the 27th annual Bay High Invitational Tournament at the Bay High gym. A spirited Bay High girls team fell just short of claiming first place in their division, losing 48-44 to Pass Christian in the girls final.

The Tigerettes thrilled a packed house in their Cinderella effort. Pass Christian led 15-13 after one quarter, but the locals climbed into a 27-25 half-time advantage. Pass took a 39-35 third quarter lead and played on even terms with Bay High in the fourth period.

Patsy Carver, red-hot in the first stanza, led a balanced Bay High scoring attack with 18 points. Melva Luke followed with 14 and Susie Doering with 12 as Coach Wilmer Seymour used only three forwards, Tall Janice Scar-

borough and Carolyn Scarborough tallied 22 and 17 for the winners. Bay High guards Maria Peterson, Rhonda Osbourne, Mary Middleton, and Carol Holden did excellent work, as did Owen Ladner and Linda Lizama of Pass Christian's guard corps.

The Tigers, obviously run-down from a good effort Saturday afternoon against St. Stanislaus, battled Hancock Central to a 12-12 deadlock in the first quarter but the Hawks pulled away to a 32-22 half-time lead and pulled steadily away in the third period. Both teams played reserves in the final stanza.

Eugene Ladner led a trio of Hawks in double figures, scoring 18 markers. Berlin Ladner tallied 14 and Lionel Hoda 12 in support. Leroy Luke, shooting with sensational accuracy from outside, was the only Bay High man in twin-figures with 22.

Bay High's two leading scorers, Richard Schaefer and Charles Bennett, scored only three points between them as the Hawk defense was outstanding.

Bay High, putting on the best team effort of the season, downed St. Stanislaus 52-45 Saturday afternoon. In another battle of city rivals, Bay High's girls swamped St. Joseph Academy 51-41 Saturday afternoon in a semi-final play.

In advancing to the finals, the Tigers took command over Stanislaus late in the first half and were never headed in the second half. Bay High trailed 18-14, and led 24-22 and 39-35 by quarters.

Forward Richard Schaefer paced the Tigers scoring with 23 points and joined forward Ross Maurigi and center Teddo Thomas in doing exceptional rebounding work. Guard Nodie Ladner scored 15 and forward Mo Scaffidi 10 to top Stanislaus. Hancock Central, looking sharper seemingly than ever especially on setting up their plays,

reached the finals with an 82-75 triumph over Long Beach Saturday afternoon. Lionel Hoda's 23 points led the way.

In the lone other semi-final contest, Pass Christian's girls defeated Harrison Central 46-38 as Carolyn and Janice Scarborough scored 19 and 16 points. Jerry Evans led the Rebellettes with 27.

St. Stanislaus edged Pass Christian 56-52 in first-round play Friday night behind Nodie Ladner's 22 points.

Bay High's girls squeezed by Hancock Central 47-46 when Hawkette Brenda Stockstill, an excellent foul shooter all night, missed on a chance to tie and win the game after being fouled at the final whistle. Patsy Carver led in scoring for BHS, but the Hawkette forward's 31 markers was high for the night.

In the tourney curtain-raiser, Long Beach barely beat Ocean Springs 52-51 on a layup by Jimmy Sully with 10 seconds remaining. A last-second shot by the Greyhounds missed.

BAY HIGH-HANCOCK CENTRAL ACTION - Dick Watts of Bay High fires a layup during Saturday night's Bay High Invitational championship game with Hancock Central which Central won. Players positioning for rebounds include Berlin Ladner (22), Eugene Ladner (54), and Jimmy Favre (33) of the Hawks, and Teddo Thomas (10), Ross Maurigi and Sam Allison of Bay High. Freeze damage severe

The frequent freezes of late have damaged severely all vegetable growth in the county, according to Hugh Sanford of the Soil Conservation Service.

Dairy and beef cattle operators will have to rely upon other than green feeds for a while until vegetation, such as oats and rye grass, can make a good growth again.

Conservation practices are being put in at a slow rate this winter. Construction of ponds are at a standstill. Farm ponds are needed for livestock water. The district commissioners accepted two new cooperators in the Hancock County Soil Con-

servation District this month, when Mrs. Carl Heltzman and Alvin Kingston of Bay St. Louis planned their farms the conservation way.

The Future Farmers of America at H.N.C. is planning a trip out west after school closes in May. The cities to be visited will be worked out by a committee headed by Howard Lee, president.

Get well wishes go to Bernice Ray Saucier, Linda Bilbo, and Rick Necaise who are all victims of that mean ole "virus bug".

Pat Bayliss, who has been in a Hattiesburg hospital for several weeks, is reported much improved. Get well soon Pat. The Kiln gang miss ya.

Bob Hamilton, vice president of Hancock Bank, was guest speaker last week at H.N.C. He stressed the importance of a college education in our modern times.

Berlin Ladner, Hawk captain, presented the '63 March of Dimes Trophy, which the team won recently in Biloxi, to J. D. Penton, superintendent of H.N.C. this week. The students are proud of Berlin and his fellow team-mates and hope they will win back the title State Champions which the school had in '60.

Mrs. Frances Perkins was in New Orleans this week visiting her sister who is ill.

Father Verman Danenmann reminds that the C.Y.O. meetings will be every Monday at 7:30 p.m. at Kiln Youth Center.

North Central Beta Club sent invitations out this week to students having B and above averages. Homer Williams, sponsor, said initiation is planned for new members later in the school year.

A debating team under the supervision of Guy Crosen, head of English department at N.C., is being organized this week. This is just one of many new activities which the school is engaging in this year.

Mr. and Mrs. Henry Bourgeois and Mrs. Edward Kimmel of Cedar Point were guests this week of Mr. and Mrs. Nick Necaise, Jr., of Kiln.

Birthday wishes to Mrs. Effie Mazaritis of Kiln, who cut her cake on Jan. 22.

The White Cypress priest's quarters were completed this week. Father Verman Danenmann who is assistant pastor of Annunciation Parish, will take over the masses in the Northern part of the parish while Father Malley Dugan will say the two masses on Sunday at Kiln and one at Fenton.

Students who are on the staff of Hancock North Central year-

book are happy to report the completion of the work on the '63 HAWK. Copies have been sent to press and the finished product is expected around the last of March or first part of April.

Mrs. Nola Cameron of Kiln is in Trenton, N. J., visiting her daughter and son-in-law, Mr. and Mrs. Charles Mathews.

Mr. and Mrs. Michael Necaise of Kiln were in Gretna, La., this week where they were guests of their daughter and son-in-law, Mr. and Mrs. Joel Cooley. While in the city they visited Mr. Necaise's sister, Mrs. Sam Tortorella who is in Ochsner Foundation Hospital recovering from an operation.

ONE RESOLUTION WHICH HAS LASTED 25 YEARS

By this time of the year most people have broken their New Year's Resolutions.

But here's one resolution which has remained unbroken for over 25 years.

When rural people of this area joined hands to secure for themselves the electric power essential to growth and progress for their farms, homes and businesses, they resolved that their Electric Power Association would be locally owned and locally controlled. They pledged their credit and their faith so they could borrow money through the Rural Electrification Administration to build their lines and to repay that money with interest as quickly as possible.

That resolution has not and will never be broken. As a result the people who served themselves with electric power have realized social and financial progress they never dreamed possible at the beginning. Agricultural income has since increased by more than 500% - but more important, it has increased in direct proportion to the number of miles of electric lines energized by Electric Power Associations in Mississippi.

This year, as we have done every year since the birth of rural electrification in Mississippi, we re-resolve we will remain under local ownership and under local control. We re-resolve to continue to repay our debts with interest—and with gratitude. We re-resolve to dedicate ourselves to the progress of our state and her people.

We also re-resolve that these resolutions shall not be broken.
